

DUNCANVILLE'S FIRST BAPTIST CHURCH

**Youth Mission Trip
to Fairview, Alberta, Canada
Tentative dates: July 8 - 16, 2005**

We will be working under the leadership of missionaries Robert & Connie Owensby. Robert is pastor of Fairview Baptist Church.

Our Mission:

- To do a Vacation Bible School in the village of Hines Creek (about 30 min. from Fairview).
- To lead two youth rallies (one in Fairview & one in the hamlet of Worsley an hour & ½ from Fairview). We would use our choir and worship band. (They have a new set of drums and a bass & amp for us to use. We will need to bring guitars.)
- To assist in constructing a playground/ballpark/pavilion on the Fairview Bapt. Church property. A group of Texas Baptist Men may be leading the construction that week.
- Possibly helping in distributing flyers and doing promotion for the VBS at Fairview Bapt. Church the following week after we leave. (Another group of workers will be arriving to help lead their VBS.)

Who can participate?

All youth who will complete 7th-12th grade in May 2005. We will also need adult sponsors.

How will we get there?

We will fly to either Edmonton or Grande Prairie, Alberta, then rent vans or a bus to take us to Fairview. Northwest Airlines has had the lowest fares to Edmonton the last couple of summers. To get group fares we will need to have the total number of passengers by early spring.

What is the cost?

About \$800-\$900 per person. This number is on the high end. It is too early to know exact airfare. After a certain date in the spring, the ticket becomes non-refundable. After that particular date, there will be no refunds for airline costs per person. We will communicate these kinds of details later.

Where will we stay?

At the new Youth Centre basement of Fairview Bapt. Church. They have showers & bathrooms available. You would need to bring sleeping bags/linens. The Centre also has a pool table, ping pong, foosball, & air hockey tables.

What about food?

The Fairview Bapt. Church will provide the food & the cooks. We will need to help with clean-up. We will probably divide our group into smaller clean-up teams.

How will I need to prepare? What are the requirements?

Pray, pray, pray! Raise your financial support. Participate in training sessions in the spring. Assist in DFBC's VBS June 27-July 1, 2005. Pair up with an adult prayer partner.

Will I need a passport to get over the border?

Not necessarily. You will need either a passport & photo ID or a certified birth certificate & photo ID.
